All About Psychology Book of the Day! Whatever your goal, 'Swim Jump Fly: A Guide To Changing Your Life' by chartered occupational and coaching psychologist **Charlotte Housden (Sheridan)** will take you from your first action, through to making real and lasting change. [#psychology](#)  
[#changingyourlife](#)

"Swim Jump Fly is a great read – its informal, yet informative, style illustrates the depth and breadth of the author's experience - psychologist, coach and change management consultant. It's fun too – a very easy and accessible read for individuals needing support, as well as being a wonderful toolkit and resource for coaches. I've therefore recommended it to a number of my own clients."

Coaching Supervisor and Executive Coach
